- statement of how the money has been spent,
- evaluation of impact (i.e., number of students involved),

If you have not already done so, please submit a report for awards presented by your Chapter for the 2008-2009 academic year.

### PHOTOS

Photos of award presentations and particularly of teachers and students "IN ACTION" in the classroom are extremely valuable as the Foundation seeks sponsors to help fund and grow this program. Please submit your photos online at: <http://www.afcea.org/education/scholarships/chapters/teachingtools.asp>
