

3rd European GeoInformation Symposium & Exposition

26-27 February 2019 - Berlin, Germany

THANKS TO OUR SPONSORS!

Gold Sponsors

<https://www.esri.de>

For spatial analysis, planning and decision-making, the geo information solutions based on Esri's ArcGIS platform are the first choice in the private and public sectors as well as education and science. As a distributor, Esri Deutschland GmbH, based in Kranzberg near Munich, sells the products of Esri Inc. on an exclusive basis.

<https://www.iabg.de/en/>

IABG offers integrated solutions in the sectors Automotive • InfoCom • Mobility & Energy • Environment & Geodata Services • Aeronautics • Space • Defence & Security. We provide independent and competent consulting. Our success is based on an understanding of market trends, on our staff's technological excellence and a fair relationship with our customers.

LUCIAD

<https://www.hexagongeospatial.com/>

Hexagon's Geospatial division helps you make sense of the dynamically changing world. Known globally as a maker of leading-edge technology, we enable our customers to easily transform their data into actionable information, shortening the lifecycle from the moment of change to action.

Silver Sponsor

HERE, the Open Location Platform company, enables national security organizations to harness the power of location. By making sense of the world through the lens of location we empower our customers to achieve better outcomes – from highly accurate mapping and location intelligence to efficient logistics and operations from headquarters to deployment. To learn more about HERE, including our new generation of cloud-based location platform services, visit <http://360.here.com> and www.here.com
