Transfers

1. Shared private coach service between Naples Airport and Sorrento:

The *CurreriViaggi Coach Service* runs direct from the airport to Sorrento. It also stops at S. Agnello.

It is comfortable, quick (1 hour and 15 minutes) each way, cheap (10 EUR) including your luggage, which can be stored underneath the bus. During the journey you will see lovely views of Mount Vesuvius and the coastline. The service is not very frequent so check the times on the website, but ultimately saves time and hassle. The bus stops at the train station in Sorrento. From there, it is a 10-minute walk or 5-minute taxi ride to the Hilton Sorrento Palace hotel.

Daily Bus Service:

- Departure from Naples Airport (Capodichino NAP) – After exiting the arrival terminal, follow the signs “BUSES” about 300 meters straight, PARK P1
- Departure from Sorrento – Circumvesuviana Train Station
- Ticket Cost: 10 (ten) Euros per person each way
- Tickets can be purchased inside the bus or on-line, in advance
- Approximate duration - 1 hour and 15 minutes each way (subject to traffic conditions)
- In the rare event of overcrowding, guests that purchased their tickets in advance on-line will have priority to board
- If your flight is delayed, you can take an earlier or later bus, if there is enough space.
- Due to possible traffic on the Sorrento coast, for the return trip from Sorrento to Naples Airport, Autolinee Curreri SRL recommends to take the bus a minimum of **5 hours** before your scheduled flight.

The timetable changes depending on the time of year, ie. more runs in the summer months, so check their website for the current timings. You can also purchase tickets:
