"The Ultimate Goal of our Inquiry:

We must be involved in nothing less
than the discovery and creation of
a World worthy of the Human Spirit
to inhabit,

as well as the discovery and
creation of a human spirit worthy
of the World."

G. W. F. Hegel

"There is one Elementary Truth -
the ignorance of which
kills countless ideas and
splendid plans:

*The moment one definitely
commits oneself,*

then Providence moves too !

All sorts of things occur to help one,
that never otherwise would have occurred!

Whatever you *can* do,
or dream you *can* do,
Begin it.

Boldness has genius,
power and magic in it.
Begin it now!"

Goethe

Every time you

give in,

it becomes easier

to give up!

If you're doing
your best

you might *not* win,

but you will

never fail.

Remember that the
end of *anything*
is the beginning of
something else.

My Dear Students,

In the Autumn of my Madness,
when my hair is turning grey,
while there's something still un-answered,
(hope you gather what I'm saying ...)

With my best and thoughtful wishes,
take my hinds and thrust ahead
(it's a matter of existence)

'till there's nothing left unsaid !

You just owe this to your soul!

Harry Athanasopoulos / Procol Harum

The times they are a-changin'

Bob Dylan

(1967 – 43 years ago)

Come gather round people
wherever you roam,

And admit that the waters
around you have grown,

and accept it that soon,
or you'll be drenched
to the bone!

If your time to you is worth
saving,

then you better start swimming
or you'll sink like a stone,

*For the times
they are
a-changin'...*

Come writers and critics
who prophesize with your pen,
And keep your eyes wide,
the chance won't come again,

And don't speak too soon;
for the wheel's still in spin
and there is no tellin'
who that it's naming,

For the loser now

Will be later to win,

*For the times
they are
a-changin'...*

Come Senators, Congressmen
please heed the call,

Don't stand in the doorway,
don't block up the hall,

Will soon shake your
windows and rattle your
walls,

*For the times
they are
a-changin'...*

Come mothers and fathers
throughout the land,

And don't criticise
what you can't understand ...

Your sons and your daughters
are beyond your command!

Your old road is rapidly
aging,

Please get out a new one,
If you can't lend your hand;

*For the times
they are
a-changin'...*

The line it is drawn, the curse it is cast,
the slow one now will later be fast,
as the present now will later be past;

The Order is
rapidly fading ...
and the first one now
will later be last !

*For the times they
are a-changin'...*

The Ultimate Knowledge

Know Thyself

Socrates

CONCLUSION

This has been a wonderful
Student Conference!

See you next year ?

A BIG THANK YOU TO ALL
