Instructions and Master Checklist

This Authors kit is for briefs selected for inclusion in the LTE/LMR Convergence Workshop. It must be completed by ALL authors for their briefs to be formally accepted.

Instructions

Only U.S. originated papers (papers authored by US citizens) will be accepted for the LTE/LMR Convergence Workshop.

All abstracts and presentation must be UNCLASSIFIED. Email unclassified authors list (including affiliation and email contact) as well as unclassified abstract by October 15, 2014 to:

djshyy@mitre.org

Unclassified presentation should be delivered via e-mail: djshyy@mitre.org

Unclassified FOUO presentation should be delivered via MITRE’s secure file transfer per instructions posted on website.

All authors are required to provide all applicable approvals/endorsement forms with their presentation materials.

All presenters must register for the workshop. (See On-line Workshop Registration.)

All attendees and presenters at this workshop must be U.S. citizens; in addition, all attendees and presenters at the FOUO session of this workshop must possess at least a U.S. SECRET CLEARANCE.
Form H: Approval Endorsements for FOUO Briefs —
U.S. Government Authors/Contractors
Print, complete, scan, and email back to djshyy@mitre.org

Applicability
This form is to be used by all U.S. Contractors and U.S. Government Authors submitting to and presenting briefs in the LTE/LMR Convergence Workshop.

Contractor/Government
Part I—Author and Company or University Endorsement
Signature in Part I certifies that author and co-author(s), if any, have obtained all required company/agency approvals. Your signature authorizes presentation of this brief at LTE/LMR Convergence Workshop.

Note: For jointly authored briefs, only one signature is required, but all co-authors must be advised of the above terms (i.e. they also need to have obtained all required approvals prior to signature) and agree with the column selected/signed in Part II below.

Unclassified Title of Brief

Brief Classification / Distribution Statements (See http://www.dtic.mil/dtic/submit/guidance/distribstatement.html)

Corresponding Author’s name  Unclassified Email address

Corresponding Author’s Affiliation  Unclassified Phone

Mailing Address

City / State / Postal Code / Country

Author or Company Official Signature

Contractor/Government
Part II—Government Contract Information
For work performed or derived under a U.S. Government contract or grant, provide the information requested below.

Contract or Grant number

U.S Government Agency Awarding contract or Grant

Author or Company Official Signature  Date
Part III—U.S. Government Contracting Officer Endorsement for Classified Disclosure

Your signature confirms the assigned classification listed in Part I, and authorizes disclosure in the LTE/LMR Convergence Workshop subject to:

- All attendees at the LTE/LMR Convergence Workshop are US citizens and have a SECRET or higher security clearance and need-to-know justifying access to the FOUO information.
