

Sam Hall has served as Geospatial Projects Manager for the Virginia Geographic Information Network since December 2006. His primary focus has been the deployment of a statewide geospatial common operational picture viewer for the Commonwealth of Virginia. Mr. Hall was previously employed by the Virginia Department of Game and Inland Fisheries as an Information Systems Manager. Prior to that, Mr. Hall served the U.S. Department of Transportation's Pipeline and Hazardous Materials Safety Administration as the GIS Manager for the National Pipeline Mapping System. Mr. Hall holds a BA in Environmental Sciences from the University of Virginia and an MS in Geographic and Cartographic Sciences from George Mason University.
