

Steve Yonkers

Steve Yonkers is the Deputy Assistant Director of the Business Policy and Planning Office for the US-VISIT Program. He is responsible for leading the development of US-VISIT capabilities, strategies, privacy policies and plans to achieve the program's mission and goals. Before serving as Deputy Assistant Director of the Business Policy and Planning Office, Mr. Yonkers was US-VISIT's Privacy Officer, a job he held when he joined the program in 2003. As Privacy Officer, Mr. Yonkers was responsible for developing a comprehensive privacy program and a data protection framework that ensured foreign visitor personal information was appropriately collected, used and maintained.
