

Mr. Ed Velez
Deputy PEO, Enterprise Information Systems
United States Army

Mr. Eduardo Velez joined the PEO EIS in 2003 as the Chief Technology Officer, responsible for Information Assurance, System Engineering and force Integration. He was named Deputy Program Executive Officer, Enterprise Technology in May 2008.

After working in private industry, he began his government career at the Communications and Electronics Command (CECOM) in Fort Monmouth, NJ, in 1980. He has served as Project Leader for PM Milsatcoms STAR-T/T3(H) program, APM for the Wideband Gapfiller Satellite (WGS), Program Director for Space Systems with the CECOM RDEC, and Deputy Project Manager for DCATS.

Mr. Velez holds a Bachelor of Science Degree in Electronics Engineering from Monmouth College in West Long Branch NJ and graduated from the Defense Systems Management College Program Managers Course in 1994. He is a member of the Army Acquisition Corps and holds Level III Certifications in Program Management; Information Technology; and Systems Planning, Research, Development and Engineering.
