

Mr. David M. Wennergren
Assistant Deputy Chief Management Officer
Department of Defense

Mr. David M. Wennergren serves as the Department of Defense Assistant Deputy Chief Management Officer, where he is the principal deputy to the DoD Deputy Chief Management Officer and champions the Department's efforts to better synchronize, integrate, coordinate and improve DoD business operations. His efforts focus on achieving greater effectiveness, increased efficiency and improved performance in the Department's enterprise policies, processes, and systems. He also serves as the Director of the DoD Business Transformation Agency. Prior to his current assignment, Mr. Wennergren served as Deputy Assistant Secretary of Defense for Information Management, Integration and Technology/Deputy Chief Information Officer, where he led the creation and implementation of a unified information management and technology vision for the Department. In addition to these duties, Mr. Wennergren served for five years as the Vice Chair of the U.S. Government's Federal CIO Council, as well as serving as the Chair of the Department of Defense Identity Protection and Management Senior Coordinating Group and Chair of the Committee for National Security Systems.

Prior to joining the staff of the Secretary of Defense, Mr. Wennergren served for four years as the Department of the Navy Chief Information Officer (DON CIO), during which time he also served as the Department of the Navy's Critical Infrastructure Assurance Officer. Prior to becoming the DON CIO, he served for four years as the DON Deputy CIO for Enterprise Integration and Security. Past assignments also included, the Head, Plans and Policy Branch within the Shore Installation Management Division, Office of the Deputy Chief of Naval Operations (Logistics), the Economic Support Team Leader on the Department of the Navy's Base Structure Analysis Team (BSAT) during the Navy's Base Realignment and Closure (BRAC) process for BRAC-93 and BRAC-95, Commercial Activities Program planning and review in the Office of the Deputy Chief of Naval Operations (Logistics), participating in the Navy's BRAC-91 process, and working as a management analyst at both the Naval Industrial Resources Support Activity and the Naval Air Technical Services Facility.

Mr. Wennergren received his B.A. in Communications/Public Relations from Mansfield State University. He was a recipient of a Secretary of the Navy Civilian Fellowship in Financial Management, culminating in a Master of Public Policy (MPP) in Public Sector Financial Management from the University of Maryland's School of Public Affairs. He has received the Department of Defense Distinguished Civilian Service Award, the Department of the Navy Distinguished, Superior and Meritorious Civilian Service Awards, the Secretary of Defense Meritorious Civilian Service Award, and the Office of the Secretary of Defense Exceptional Civilian Service Award. Other honors include being selected as the TechAmerica Terman Award 2010 Government Technology Executive of the Year, the Federal CIO Council 2008 Azimuth Award winner, the Government Computer News 2005 Defense Executive of the Year, the 2006 John J. Franke Jr. Award from the American Council for Technology, the Federal Computer Week 2006 Eagle Award, three Federal Computer Week Fed 100 Awards, the Computerworld Premiere 100 Award, and the 2008 General James M. Rockwell AFCEAN of the Year. He is also honored to have worked in two organizations that were awarded the Department of the Navy Meritorious Unit Commendation.
