*Session is under review for certification maintenance.

If in doubt, please check with your supervisor to confirm which sessions meet your training requirements.

AFCEA Members and CE Pass Holders: To ensure receipt of documentation of session attendance, be sure to arrive on time, stay for the entire session and get your event badge scanned at the close of each session. Documentation will be provided not later than June, 17, 2019 by email from AFCEA.org. Others may follow tips on this flyer for submitting session information to CompTIA, GIAC and/or CertNexus.

Our Continuing Education (CE) program is designed to support certifications related to U.S. Federal Government requirements. Several TechNet Cyber sessions have been approved to meet CompTIA, GIAC, and/or CertNexus, and may also support (ISC)², National Contract Management Association (NCMA), Project Management Institute (PMI), GAGAS, and Defense Acquisition Workforce continuing education and/or certification maintenance requirements.

- 1. How do I identify symposium sessions that are approved for CompTIA CEUs, GIAC CPEs or CertNexus CECs?** Approved sessions are noted on the reverse side of this flyer, and will be included in the event show guide and mobile application, and on the event website.
- 2. How do I obtain the session documentation required for me to submit to CompTIA, GIAC and/or CertNexus?** Formal attendance documentation is a benefit of AFCEA membership and a service provided to attendees who purchased a continuing education (CE) pass for the event. Participation in an event session qualifying for CompTIA CEUs, GIAC CPEs, CertNexus CECs is required. On exiting the session, get your event badge scanned so that we can document your attendance. We will email documentation of attendance to AFCEA members by June 17, 2019.
- 3. Will attendance documentation be available for all approved sessions listed on the flyer?** Only sessions which last at least one hour will qualify for CEUs, CPEs and/or CECs so be sure to take the opportunity to ask questions of the speaker. Formal attendance documentation is only provided for current AFCEA members and for CE Pass holders who had badges scanned for attendance purposes at applicable sessions.
- 4. What if I need additional information about specific continuing education programs?**

CompTIA

CompTIA allows individuals to keep their skills current and many of their certifications up to date without retesting by participation in CEU-qualified training activities. For details on CompTIA Continuing Education Program FAQs: <https://certification.comptia.org/continuing-education/how-to-renew/earn-continuing-education-units>.

AFCEA members can receive up to a 15% discount on Certification Vouchers at www.traintestcert.com

Each GIAC certification remains valid for 4 years. Two years after certification the renewal process will begin, and individuals must maintain their credentials through Continuing Professional Experience (CPE). For details visit: <http://www.giac.org/pdfs/cert-renewal/faq.pdf>. You may also email cert-renewal@giac.org.

Credential holders must earn the minimum number of Continuing Professional Experience (CPEs) annually during each year of the three-year certification cycle. Members must earn and submit the minimum **annual** number of CPEs to maintain their certification in “**good standing**.” For more information visit <https://www.isc2.org/maintaining-your-credential.aspx>.

CERTNEXUS

Each CertNexus certification remains valid for 3 years. The maintenance process for an LO certification can and should begin immediately upon receiving the certification.

For information about Project Management Institute’s program to maintain credentials visit: <http://www.pmi.org/Certification/Maintain-Your-Credential.aspx>.

GAGAS: Session content may also support GAGAS (Generally Accepted Government Auditing Standards) Requirements for Continuing Professional Education. We recommend consulting with your supervisor to determine which sessions would help meet your individual requirements. A CPE hour may be granted for each 50 minutes of participation in group programs and activities that qualify. <http://www.gao.gov/assets/80/76894.pdf>

Defense Acquisition Workforce: Members of the Defense Acquisition Workforce may qualify for continuous learning points (CLPs) at the rate of .5 point/hour for a maximum of 4 points/day and 20 points/year for attendance at relevant sessions. <http://www.dau.mil/CLC/Pages/PointCredit.aspx>

If in doubt, please check with your supervisor to confirm which sessions meet your training requirements.

AFCEA Members and CE Pass Holders: To ensure receipt of documentation of session attendance, be sure to arrive on time, stay for the entire session and get your event badge scanned at the close of each session.
