CompTIA allows individuals to keep their skills current and many of their certifications up to date without retesting by participation in CEU-qualified training activities. For details on CompTIA Continuing Education Program FAQs: <https://certification.comptia.org/continuing-education/how-to-renew/earn-continuing-education-units>.

AFCEA members can receive up to a 15% discount on Certification Vouchers at www.traintestcert.com

Each GIAC certification remains valid for 4 years. Two years after certification the renewal process will begin, and individuals must maintain their credentials through Continuing Professional Experience (CPE). If you are preparing your own attendance documentation GIAC advises, "please submit the [Certificate of Completion; Attendance Report; Email confirmation; Meeting Invite and Agenda] provided as your supporting documentation in the **Community Participation** category; **Meeting subcategory** by following the instructions available here: [Submitting CPEs](#)." You may also email cert-renewal@giac.org.

CertNexus exams expire 3 years from the date of certification. To recertify candidates can earn and submit continuing education credits (CECs) to recertify without retaking the exam. It is recommended that candidates begin recertification upon successful certification of each exam. Members must earn and submit the minimum number of CECs annually to maintain their certification. For more information on the CertNexus Continuing education program visit <https://certnexus.com/education-and-training/cybersec-first-responder-cfr-continuing-education-program/>.

Credential holders must earn the minimum number of Continuing Professional Experience (CPEs) annually during each year of the three-year certification cycle. Members must earn and submit the minimum **annual** number of CPEs to maintain their certification in "**good standing**." For more information visit <https://www.isc2.org/maintaining-your-credential.aspx>.

For information about Project Management Institute's program to maintain credentials visit: <http://www.pmi.org/Certification/Maintain-Your-Credential.aspx>.

GAGAS: Session content may also support GAGAS (Generally Accepted Government Auditing Standards) Requirements for Continuing Professional Education. We recommend consulting with your supervisor to determine which sessions would help meet your individual requirements. A CPE hour may be granted for 50 minutes of participation in group programs and activities that qualify. <http://www.gao.gov/assets/80/76894.pdf>

Defense Acquisition Workforce: Members of the Defense Acquisition Workforce may qualify for continuous learning points (CLPs) for attendance at relevant sessions. <https://www.dau.edu/training/clc/p/Creditable-Activities-and-Activity-Point-Values>
