AFCEA Joan Bowden Scholarship

Established in 1987, the AFCEA Joan Bowden Scholarship was established by the AFCEA Montgomery Chapter through the AFCEA Educational Foundation in memory of Ms. Joan Bowden, the 1984-85 president of the Montgomery Chapter and able member of the 1985-86 Board of Directors. The Chapter has made annual contributions to the Foundation in support of this award.

The Joan Bowden Scholarship is presented annually to that top ROTC student attending a university located in the mid-south region of the United States, which include the states of Georgia, Alabama, or Mississippi.

In 2006, the Montgomery Chapter generously increased the amount of their customary contribution resulting in a new scholarship award of $3,000.

Recipients are selected by the ROTC Scholarship Selection Committee each year.
