

Swedish Civil
Contingencies
Agency

Dr. Åke Holmgren

Dr. Åke Holmgren is head of the Critical Infrastructure Protection Section at the Office of Cybersecurity and Critical Infrastructure Protection at the Swedish Civil Contingencies Agency (MSB). Dr. Holmgren has more than 15 years of experience in cyber security and critical infrastructure protection from various government functions in Sweden. He has been member of the Norwegian Commission on the digital vulnerability of society.

Dr. Holmgren has been Visiting Scholar at the Institute for Civil Infrastructure Systems, Wagner Graduate School of Public Service, New York University. He holds a Ph.D. degree in Risk and Safety Analysis and a M.Sc. degree in engineering, both from the Royal Institute of Technology (KTH) in Stockholm, and a B.Sc. degree in business administration and economics from Stockholm University.
