

AFCEA CORPORATE ASSOCIATE BENEFITS

Connecting people, ideas and solutions globally

Your AFCEA corporate associate membership will help you create relationships that benefit both you and your corporate team. Take advantage of the many ways AFCEA educates, motivates and connects with more than 30,000 IT, global security and intelligence professionals around the world.

Leveraging AFCEA Membership Opportunities

- Stay connected to AFCEA news, events and opportunities by following AFCEA International on Facebook, Twitter, LinkedIn, Instagram and YouTube.
- Join a chapter and become a familiar face to potential clients and partners. There are more than 130 chapters worldwide.
- Volunteer at international and local events to boost your engagement with military and industry leaders.
- Attend AFCEA events locally, nationally or internationally at reduced rates.
- Stay current on emerging technologies and agency requirements by reading *SIGNAL* Magazine online and in print.
- Keep your certifications up to date by attending sessions at AFCEA and chapter events that have been approved as continuing education by CompTIA, GIAC and/or other certifying organizations. You automatically receive attendance verification documentation as a benefit of membership.
- Further your education at a discount through AFCEA Educational Preferred Providers:
 - American Public University System
 - Montreat College
 - SANS Institute
- Receive a discount on courses through FedLearn and MindEdge.
- Use AFCEA's online directory to locate and pre-vet potential business partners and customers.
- Submit guest blogger thought leadership items for *SIGNAL*'s website.
