Event Marketing Checklist

Why it’s important

*SIGNAL* Media is available to support your chapter and its events. *SIGNAL’s* distribution reaches your target for members and event attendees. The more presence your event has, the more successful it will be.

Chapters can run free print and online advertisements or AFCEA Digest notices to promote a major chapter-related event or a fundraiser for chapter scholarship efforts.

Monthly meetings and other activities are not included in the complimentary advertising program, but if the monthly dates have been entered into the AFCEA International Calendar, chapter activities are automatically included in the AFCEA International Online Calendar and in the AFCEA Digest’s upcoming events list.

- **Print:** Chapters can place a 1/3-page ad in one issue of *SIGNAL* Magazine. These ads may run in up to three issues based on space availability. Chapters can create their own print advertisements, or they can e-mail the information to the Chapter News editor, and *SIGNAL’s* art director will design a print ad for the chapter.

- **Online:** Chapters can place one online ad on the AFCEA Website (300px x 100px) for a period of up to one calendar month before the event. The ad may be in rotation with other chapter ads. If a chapter does not have online advertising material in the appropriate size, we can use our standard chapter online template. For online requests, contact Jennifer Deuterman.

- **AFCEA Digest Newsletter:** Chapters can submit event details to run in one issue of the AFCEA Digest one time for each event. Submit requests to Maryann Lawlor.

If more space is desired, chapters can purchase advertisements at a discounted rate. Contact Jennifer Deuterman for paid chapter advertising.

- **Chapter News write-ups in print and online.** Click [HERE](#).

- **Bonus distribution of magazines.** *SIGNAL* Magazine is the number one benefit of being an AFCEA member and can be used for recruiting. A membership is less than a subscription! To request magazines, email or call Christina Yanette at c.yanette@afcea.org or (703) 631-6192.

- **News coverage of local events.** When staff is available, *SIGNAL* will cover your event in the local DC area and will write articles for the Web or print. Contact Bob Ackerman, backerman@afcea.org or (703) 631-6182.

If you need other event support, contact Bev Cooper at bcooper@afcea.org or 703 631-6184.
