

DISA

FY 2025 CONTRACTS GUIDE

Contract Title/Contract Number	Description	Prime Contractor	Period of Performance
Capacity Services			
SPARC Processor Capacity Services HC108419D0001	This ID/IQ provides state-of-the-art processing capacity to meet new and emerging customer requirements and to provide the ability to replace existing DISA processing capacities that has exceeded its technical life as determined by the Government.	ViON Corporation	Through February 4, 2028* <i>*Includes all option periods</i>
X-86 Processor Capacity Services HC108419D0002	The contract provides reliable, responsive, and cost effective processor infrastructure services of "on-demand" X-86 chipset processing capabilities for DISA and/or DISA-approved locations, located in both the continental United States (CONUS) and outside of the continental United States (OCONUS).	Hewlett Packard Enterprise Company	December 17, 2028* <i>*Includes all option periods</i>
Cloud Services			
Joint Warfighting Cloud Capability (JWCC) HC105023D0002 HC105023D0003 HC105023D0004 HC105023D0005	JWCC consists of four direct award Indefinite Delivery/Indefinite Quantity (ID/IQ) contracts. The JWCC ID/IQ contracts connect the Defense Information Enterprise in totality, by providing access to globally available cloud offerings, across all security domains, at all classification levels, from the strategic level to the Tactical Edge, to include Disconnected, Disrupted, Intermittent, and Limited environments, at scale.	Google Support Services LLC Microsoft Corporation Oracle America Inc Amazon Web Services Inc	Through December 7, 2027* <i>*Includes all option periods</i>

Contract Title/Contract Number	Description	Prime Contractor	Period of Performance
--------------------------------	-------------	------------------	-----------------------

Hardware/Software			
--------------------------	--	--	--

BPA IT/Telecom Supplies/ Equipment for PAC AOR HC101920A0008 HC101920A0009 HC101920A0010 HC101920A0011 HC101920A0013 HC101920A0014	These BPAs provide for Information/Technology/ Telecommunication Supplies & Equipment for the United States Indo-Pacific Command (USINDOPACOM) Area of Responsibility.	GC Associates, LLC (GCA) Kaihonua, LLC Modtech Solutions Progressive Computer SVC Inc. (PCSI) Regency Consulting System Optimization & Support, LTD (SOS-Hawaii)	Through May 31, 2025* <i>*Includes all option periods Follow-on: Suite of BPAs to provision IT/Telecom Supplies & Equipment for INDOPACOM AOR planned; solicitation in 2nd Qtr FY25, award in 3rd Qtr FY25</i>
--	--	---	--

GC Associates, LLC (GCA) Kaihonua, LLC Modtech Solutions Progressive Computer SVC Inc. (PCSI) Regency Consulting System Optimization & Support, LTD (SOS-Hawaii)	NASA SEWP DMCC Agency Catalog for hardware, software and WINDAR-S laptops.	FCN, Inc. for WINDAR-S New Tech Solutions, Inc. and DH Technologies, LLC for DMCC hardware and software	Through February 4, 2025* <i>*Includes all option periods Follow-on: (1) NextGen WINDAR Production OTA, award in September 2024 2) WINDAR HW/SW included in the DoD DMCC IDIQ, award in September 2024</i>
---	--	---	--

Department of Defense (DoD) Network (DoDNet) Equipment Management Catalog (See "Prime Contractor" column for Contract Numbers)	The DoDNet Catalog was created to provide mission partners for the Fourth Estate Network Optimization (4ENO) office with a unique acquisition solution for ordering desktops and laptops, peripherals, Enterprise Voice over Internet Protocol (EVoIP), endpoint software, and Video Teleconferencing Equipment.	ACC - NNG15SD60B DH Technologies, LLC - NNG15SC70B DISYS – NNG15SE04B / NNG15SD73B FedData - NNG15SD84B Government Acquisitions, Inc (GAI) - NNG15SD23B / NNG15SC78B Iron Bow Technologies, LLC - NNG15SC41B New Tech Solutions, Inc. - NNG15SC82B NCS Technologies, Inc. - NNG15SD85B Norseman – NNG15SC83B Sterling Computers Corp. - NNG15SC89B / NNG15SC49B Thundercat - NNG15SD26B World-Wide Technology - NNG15SC55B	Through April 30, 2025* <i>*Includes all option periods. Follow-on: Strategy TBD</i>
--	--	---	--

Software/JELA			
----------------------	--	--	--

cOMSATCOM Bandwidth Blanket Purchase Agreement (BPA) for Global Airborne Intelligence, Surveillance, and Reconnaissance (AISR) operations. HC101322A0002	The Agency Catalog provides brand name, commercial off-the-shelf Adobe software subscriptions under a single enterprise terms licensing agreement in support of the DoD.	Emergent, LLC	Through September 29, 2024* <i>3-year term (includes all option periods) Follow-on: Adobe JELA IV award September 2024</i>
---	--	---------------	--

Contract Title/Contract Number	Description	Prime Contractor	Period of Performance
Software/EA			
Fourth Estate (4E) Cisco Software (SW) Enterprise Agreement (EA) HC108422D0001	This IDIQ contract provides: (1) the Global Enterprise Modernization Software & Support (GEMSS) package which includes SmartNet Total Care for Cisco branded inventory, software support services for current perpetual licenses, networking software subscriptions, and limited engineering services; (2) Subscription-based licenses for unified communications, email security and data center support; and (3) Advanced engineering services outside of GEMSS.	Iron Bow Technologies, LLC	Through June 21, 2026* <i>*Includes all option periods</i>
ServiceNow BPA HC108422A0002	This BPA provides ServiceNow Software as a Service (SaaS), Platform as a Service (PaaS) and subscription licenses for the DISA's Service Platform.	Carahsoft Technology Corporation	Through September 22, 2025* <i>*Includes all option periods</i>
IT Services			
ENCORE III Full & Open (F&O) Suite HC102818D0001 HC102818D0002 HC102818D0003 HC102818D0004 HC102818D0005 HC102818D0006 HC102818D0007 HC102818D0008 HC102818D0009 HC102818D0010 HC102818D0011 HC102818D0012 HC102818D0013 HC102818D0014 HC102818D0015 HC102818D0016 HC102818D0017 HC102818D0018 HC102818D0019 HC102818D0020	ENCORE III F&O is a multiple award IDIQ contract. It provides a full range of global information technology (IT) services and solutions required by the Department of Defense and other federal agencies, to include IT services ranging from engineering development to full sustainment. This includes operating and sustaining the network, defending the network, providing access to new customers, monitoring network health, restoring service (as necessary), and implementing minor adjustments and improvements to existing capabilities.</p>	<p>Leidos, Inc.</p>	<p>Through July 29, 2030*</p> <p><i>*Includes all option periods</i></p>

Contract Title/Contract Number	Description	Prime Contractor	Period of Performance
Global Content Delivery Services (GCDS-II) HC108421D0002	The IDIQ obtains reliable, responsive, and cost effective content delivery services that are dynamically scalable and utilize an on-demand service approach to support DISA and other DISA-approved locations in the continental United States (CONUS) and outside of the continental United States (OCONUS).	Perspecta Enterprise Solutions LLC	Through August 2027* <i>*Includes all option periods</i>
COMSATCOM Bandwidth Blanket Purchase Agreement (BPA) for Global Airborne Intelligence, Surveillance, and Reconnaissance (AISR) operations. HC101322A0002	The IDIQ obtains reliable, responsive, and cost effective content delivery services that are dynamically scalable and utilize an on-demand service approach to support DISA and other DISA-approved locations in the continental United States (CONUS) and outside of the continental United States (OCONUS).	Hewlett Packard Enterprise Company	Through August 2030* <i>*Includes all option periods</i>
Technologies, Refreshment, & Implementation – Global Solutions Management (TRI-GSM) HC102822D0001	The TRI-GSM IDIQ contract provides the support necessary to carry out the technologies refreshment, implementation, and integration activities for the optimization and expansion of customer capabilities for the Department of Defense Information Network (DODIN)/Defense Information Systems Network (DISN) and related services.	Competitive Range Solutions, LLC	Through April 17, 2027* <i>*Includes all option periods</i>
Defense Enclave Services (DES) HC104722D0002	The Defense Information Systems Agency (DISA) is centralizing Common Use Information Technology (IT) infrastructure for the Department of Defense's Fourth Estate (DoD 4th Estate) agencies. The DES contract will unify the 4th Estate's Common Use IT systems, personnel, functions, and program elements associated with the support of those systems and technologies under a Single Service Provider architecture managed, operated, and supported by DISA. The shared network will reduce redundant IT costs, enhance cybersecurity posture, and standardize support services across the 4th Estate.	Leidos, Inc.	Through July 4, 2032* <i>*Includes all option periods</i>

Contract Title/Contract Number	Description	Prime Contractor	Period of Performance
Thunderdome Zero-Trust Network Architecture (ZTNA) HC10842392000	This IDIQ Other Transaction agreement combines commercial off-the-self ZTNA capabilities with existing DISA capabilities to implement conditional access by validating attributes such as user device posture, user identity, and behavioral analytics to determine access to a resource. Thunderdome ZNTA reduces redundant and complex cybersecurity solutions by providing robust management and provisioning pipelines through centralized orchestration across core components.	Booz Allen Hamilton	Through August 2028* <i>*Includes all option periods</i>
Mobility			
Hotspots, Mobile Devices and Global Data Plans (Alternative Blanket Purchase Agreement) HC108421A0002	DoD Mobility Communications Classified Capability-Secret (DMCC-S) and Top Secret Program for hotspot retransmission devices and mobile devices for mission partners across the globe, with associated domestic and international data plans.	Verizon Wireless	Through August 5, 2025* <i>*Includes all option periods</i>
Hotspots, Mobile Devices and Global Data Plans HC108421A0001	DoD Mobility Communications Classified Capability-Secret (DMCC-S) and Top Secret Program for hotspot retransmission devices and mobile devices for mission partners across the globe, with associated domestic and international data plans.	AT&T Mobility, LLC	Through January 31, 2025* <i>*Includes all option periods Follow-on: BPA will be extended; allowing users are migrated to new IDIQ contract</i>
Messaging as a Service (Maas) HC108420D0008	This FFP IDIQ for MaaS is a real-time mobile alerting service designed to bring critical data and automatic alerts directly to cell phones and mobile devices via Text. The target audience for this service include both civilian and service members throughout all global DoD locations to deliver a pre-generated message, with the ability to embed short hyperlinks, in a secure and reliable fashion, anytime, anywhere.	Carahsoft	Through January 31, 2028 <i>(no option periods)</i>

Contract Title/Contract Number	Description	Prime Contractor	Period of Performance
Program Support Services			
DISA Program Support Services (DPSS) BPA HC104723A0005 HC104723A0006 HC104723A0007 HC104723A0008 HC104723A0009	DISA requires Professional Support Services to meet the needs of programs and projects Agency-wide. These services will enable DISA, the Joint Force Headquarters – Department of Defense Information Network (JFHQ-DODIN), Fourth Estate Defense Agencies and Field Activities, and DISA's administrative control (ADCON) Organizations to successfully accomplish their missions.	Federal Management Systems LLC Nexagen Networks, Inc. Peridot Solutions, LLC Tuknik – Government Services LLC Vista Technology Services, Inc.	Through January 31, 2028 <i>(no option periods)</i>
SATCOM			
COMSATCOM Bandwidth Blanket Purchase Agreement (BPA) for Global Airborne Intelligence, Surveillance, and Reconnaissance (AISR) operations. HC101322A0002	The BPA is to provide mission partners operating globally with a means of rapidly acquiring commercial satellite Ku bandwidth to meet enduring and emerging AISR communications needs.	DRS Global Enterprise Solutions, Inc.	Through January 11, 2027* <i>*Includes all option periods</i>
Blue Force Tracker (BFT) Network Blanket Purchase Agreement (BPA) HC101322A0006	The BPA provides commercial L-band satellite channels to allow connectivity between BFT transceivers and satellite earth station locations, along with Super High Frequency (SHF) satellite and internet connectivity services between satellite earth station and BGN locations.	Inmarsat Government, Inc.	Through September 14, 2027* <i>*Includes all option periods</i>
Enhanced Mobile Satellite Services (EMSS) Global Logistical Services Management contract (ELOG) HC101319D0003	This ID/IQ provides global logistical, technical, and other programmatic services primarily in support of EMSS operational and sustainment functions.	Intelligent Waves, LLC.	Through February 13, 2025* <i>*Includes all option periods Follow-on: None; new contracts will be awarded by USSF</i>
Enhanced Mobile Satellite Services (EMSS) Certus Blanket Purchase Agreement (BPA) HC101321A0003	This BPA provides global pole-to-pole commercial satellite communications and broadband data capabilities using the Iridium satellite constellation. Customers request these services via DISA Storefront.	COMSAT, Inc.	Through April 8, 2026* <i>*Includes all option periods</i>

DISA FY 2025 CONTRACTS GUIDE

Contract Title/Contract Number	Description	Prime Contractor	Period of Performance
Department of Defense Commercial Voice Services (DCVS) BPA HC101318A0004	This BPA provides commercial voice services in support of all DITCO customers.	MCI Communication Services Inc DBA Verizon Business	Through March 15, 2025* <i>*includes all option periods Follow-on: BPA extension planned, through March 2027</i>
Datalink Service Provider (DSP) 5 Contract HC101321D0009	Datalink Services to provide certified and continuous flight safety services, Datalink messaging and voice communications with worldwide air traffic control agencies, and general data and voice for Government command and control agencies.	ARINC Incorporated	Through September 30, 2031* <i>*Includes all option periods</i>
DISA Voice Internet Service Provider (VISP) HC101322D0003	The DISA VISP contract provides Session Initiation Protocol (SIP) Trunking and Telephony Services for on-net calls and access to the Public Switched Telephone Network (PSTN) for off-net calls in the Hawaii, EUCOM/CENTCOM/AFRICOM, and INDOPACOM AOR.	Comcast Government Services, LLC	Through June 15, 2031* <i>*Includes all option periods</i>
DISA Voice Internet Service Provider (VISP) HC101322D0001	The DISA VISP contract provides Session Initiation Protocol (SIP) Trunking and Telephony Services for on-net calls and access to the Public Switched Telephone Network (PSTN) for off-net calls in the NORTHCOM/SOUTHCOM AOR.	AT&T Corp.	Through December 26, 2031* <i>*Includes all option periods</i>
Indo-Pacific Transport Services (IPTS) HC101922D0002	IDIQ contract providing end-to-end data and info transfer/ telecommunications services essential to the Defense Information System Network (DISN) in the INDOPACOM theater, to include Alaska. Scope includes terrestrial, satellite, and microwave transmission services at all bandwidths on a firm-fixed price (FFP) order-basis, to include unique bulk encryption services, circuit-to-packet conversion services, and temporary/exercise circuits, located anywhere within USINDOPACOM, to include Alaska, as well as any Govt-designated locations worldwide so long as one of the circuit termination points is located within USINDOPACOM, to include Alaska. (This is the follow-on contract to DTS-P II.)	Lumen Technologies Government Solutions, Inc.	Through October 2, 2032 <i>(no option periods)</i>
