

Ermine Bulls

I was born and raised in the Bedford Stuyvesant section of Brooklyn, NY until I joined the US Navy in 2005.

I enlisted into the Navy as an Information Systems Technician. My first command was the USS Dwight D. Eisenhower (CVN 69) out of Norfolk, VA on Naval Station Norfolk where I held the position of Radio Technician. In Radio division we were in charge of all Satellite communications onboard to include the handling of cryptographic equipment.

My next duty station was Assault Craft Unit Four (ACU-4) out of Little Creek, VA where I was an Automated Data Processing Technician and Media clerk of the commands three maintenance servers. I served there for three years.

Following ACU-4 I went back to the USS Dwight D. Eisenhower as a Ships Signal Exploitation Station (SSES) Supervisor. I deployed with the ship for 7 months in support of operations in the 5th Fleet area of responsibility and was there a total of two years.

From the Ike I went to Naval Computer & Telecommunications Station Atlantic (NCTAMS Lant). I was a Fleet Message Center Operator, Work Center Supervisor and Cyber Security Workforce Coordinator where I earned a Naval and Marine Corps Achievement Medal for my contribution in propelling the Navy from 3 to 50% completion for the mandatory conversion of the Navy Enlisted Classification (NEC) 2735 to 2791.

I was then Station at Helicopter Sea Combat Squadron Nine (HSC-9) also in Norfolk, VA where I was the Information Assurance Manager, and Leading Petty Officer (LPO) of the Carrier Airwing ADP during our 2014 deployment in support of Operation Enduring Freedom.

I am currently stationed at NCTAMS PAC where I am the LPO of 77 amazing Sailors in the N33 division of the world's largest Technical Control Center!

I have been in for 13 years this coming September! I am a wife to a very supportive husband of 11 years, Brandon. A mom to 3 beautiful children, Jédin-11, Nyrell-10 and Michael-6! I have 3 sisters and 4 brothers whom I love and adore very dearly! A mother and father who were very much present, hardworking and raised me and my siblings very well despite many adversities! I am the Sailor I am because of my FAMILY! I wouldn't be here today if it wasn't for them and all of the outstanding military leadership and mentoring I've received!
