

BIOGRAPHY

UNITED STATES AIR FORCE

TECHNICAL SERGEANT BRADLEY H. PIKE II

Technical Sergeant Bradley H. Pike II is assigned to the 50th Space Communications Squadron as NCOIC, Network Operations, Schriever AFB, Colorado. He is responsible for managing and maintaining a 20.5 million dollar enterprise suite which provides core networking services on NIPRNet and SIPRNet to 8 thousand users and 16 geographically separated units. He also deters and overcomes real-time threats and vulnerabilities by directing 15 personnel to execute the latest DoD Command and Control Network operations tasking orders and 24th Air Force cyber tasking orders.

Sergeant Pike enlisted in the Air Force in 2006 as a Command and Control, Battle Management Operator. He completed three deployments before cross training to the new Cyber Systems Operations career field. His operational experience includes Operations ENDURING FREEDOM, IRAQI FREEDOM, NEW DAWN, and CJTF-HORN OF AFRICA. Sergeant Pike's past assignments include South Carolina, California, and Korea.
