

Roy White has been with Diverse Concepts since October 2008, and has held many different positions within the company. He proudly served eight years in the U.S Air Force as a Personal System Manager in support of several military operations. Roy earned both his Bachelor of Science in Computer Information Systems with a focus in Network Design and Associates of Business in Business Management from American InterContinental University. He has implemented, designed, and operated many very distinct computer systems and networks during his years at Diverse Concepts. His leadership abilities, work ethic, and attention to detail have provided this company with several innovative ideas to procreate new business. In early June 2011, Roy became the majority stockholder of Diverse Concepts and was elected the Chief Executive Officer by the Board of Directors. Roy believes that he can elevate Diverse Concepts to become the most sought after Service Disabled Veteran Owned Business in Maryland and DoD.
