

Women in the Workforce: A Journey in STEM
September 1, 2021
Hyatt Regency Tysons Corner Center

Health and Safety Policy

AFCEA is fully committed to holding an onsite Women in the Workforce: A Journey in STEM event on September 1, 2021. AFCEA's priority is always the health and well-being of our community and our COVID-19 Safety Plan is a living document that will continue to evolve as we follow guidance from the Centers for Disease Control and Prevention (CDC) and work closely with the Hyatt Regency Tysons Corner Center to maintain a safer experience for participants.

Personal Accountability Commitment

Providing a safer environment for our event participants is a top priority. Achieving this goal is a shared responsibility. By attending Women in AFCEA's 2021 Women in the Workforce: A Journey in STEM event, you agree to abide by and engage in conduct that is beneficial to health and safety. This includes, but is not limited to:

- complying with local, state and venue regulations
- engaging in appropriate physical distancing
- not attending the event if you feel ill or have been recently exposed to COVID-19

AFCEA will not require negative COVID-19 tests from, or conduct temperature screenings of, attendees, vendors or staff.

COVID-19 Warning

We have taken enhanced health and safety measures and require all persons to follow posted instructions while attending the Women in the Workforce: A Journey in STEM event 2021. You must agree to abide by all AFCEA and Hyatt Regency safety protocols and follow applicable safety precautions.

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and guests with underlying medical conditions are especially vulnerable.

By attending the Women in the Workforce: A Journey in STEM event 2021, you voluntarily assume all risks related to exposure to COVID-19.
