

Urvashi Bhatnagar, DPT, MBA is a healthcare executive whose career spans clinical care, strategy and M&A, and venture capital as the Managing Partner and GP of The Good Science Fund and Expert at Primary VC. She is also an opinion columnist for CEO World, and has nearly two decades of experience in the healthcare ecosystem. Along with Dr. Paul Anastas, Bhatnagar is co-author of the new book *The Sustainability Scorecard: How To Implement And Profit From Unexpected Solutions*. She believes global wellness can be achieved through sustained and intentional investment by way of strategic partnerships and capital allocation. Bhatnagar holds an MBA from Yale University and a Doctorate of Physical Therapy from Boston University.
