

Clark Dumont

Clark Dumont is a Senior Director of Supply Chain at BAE Systems, Inc. In this role, Clark is responsible for leading a supply chain microelectronics strategy across BAE Systems globally.

With over two decades of experience in the Aerospace and Defense industry, Clark is a member of several industry associations and defense industrial base forums chartered to address electronics supply chain matters across industry.

Clark holds a Bachelor's Degree in Industrial Engineering from Lehigh University, has a Master's Degree in Mechanical Engineering from Tufts University and has fulfilled progressive leadership roles in Manufacturing, Engineering, and Supply Chain spanning multiple commercial, aerospace, and defense domains.
